TESTIMONIALS

Hi David,

We have returned home after spending the Hag of Pesach at Hacienda hotel in Ma'alot with your group. It exceeded our expectations!

The place is beautiful, the food was great, the staff were extremely helpful and the atmosphere was just what we have hoped for. We enjoyed the Tfilot, the rich program and most of all I enjoyed the "Shiurim" of Rabbi Ronen & Rabbanit Pnina Neuwirth.

As a distant family relative of Eddie Friedmann I am glad that the brand carrying his name is a symbol for high quality.

Thank you and all the team.

Hi Eddie's Kosher Travel

We had an excellent time. This was the 6th time we've been away for Pesach and it was the best of the six. The food was excellent; the room was too (a garden room). We met quite a few people and we sat with our friends. The Shiurim were good and Rabbi Cardoza was very thought-provoking.

Thank you, Diane and Robert Levin, Johannesburg

"Dear David & Chana,

We had the most incredible Pesach with our family, best food, attention to detail, personal hosting, great program and best of all...value for money.

See you next year at Eddie's Kosher Travel Pesach hotel"

Stephanie & Paul Freud, London

Hi David & Chana

For the past three years, our entire family has enjoyed the excellent experience of sharing Pesach with you at your program on the Kinneret.

Our parents, children, grandchildren and we—and some extended family, too—have received the care and consideration of David and Chana Walles and their family and staff that have enhanced our Chag immensely. This is no small task, considering we consist of from 32 to 52 persons of all ages (currently the eldest is 94 and the youngest is 7).

We are veterans of 21 years of Pesach programs in the US, so we have a pretty good idea of what drives a program's success.

Your program—and you, your family and staff—are among the best of the best in service, attention to detail, location, programming and facilities.

We hope to continue our Pesach relationship with you and Eddie's Travel for years to come.
